## White label outsourcing project

Here at **Yosen**, your brand receives the **utmost care**.

### VALUE PROPOSITION:

Our aim is to enhance people's quality of life through innovative products that uses nanotechnology in a natural and sustainable way, delivering personalized benefits. We prioritize technology and innovation, guaranteeing efficacy and results, while also promoting sustainability through our products.

### MAXIMUM EFFECT:

Yosen's technology is a platform that increases the solubilization and oral bioavailability of important nutrients for health, such as vitamins, minerals, CoQ10 and many oils as Omega 3, Lutein, Astaxanthin, etc. This is achieved through the formation of lipid-based delivery system, such as nanoemulsions, liposomes and solid lipid nanoparticles
